## Farm with Vineyard

The farm has 26 acres set in the rural Algarve, adjacent to the golf course in Espiche. The property is close to Lagos and Luz and the most famous beaches of the western Algarve. A great investment opportunity that includes a traditional country house, sprinkler system, large water tank, fruit trees, and a fantastic vineyard that produces approximately 60,000 litres of wine and famous Muscatel. The property is located to the North of the Vineyard touching the boundary limits of the golf course of Espiche.
