APARTMENT TO RENT IN LAGOS | Ref: Apt. Alegretes Winter **1,300 €**

Apt. Alegretes Winter

Having looked at many winter rentals over the years we think some of the most important factors to consider whether the property has appropriate heating facilities to keep you warm during your stay!

Equally important are the location and the cooking facilities as you may want to eat in a lot more. Add into the equation the location, comfort and interior decor, and last but by not least - TV channels & Internet....

Thats why we think think that this apartment ticks all the boxes for your winter stay. Also, due to its prime city centre location, you won't need a car which will reduce your costs, & if you do have a car, there are 2 garages within a 2 minute walk of the apartment as well as free parking
