

**BUSINESS FOR SALE IN LAGOS | Ref: N/04845**

**400,000 €**

### **CLUB PHOENIX-(HOTEL PROJECT)**

This property has worked for many years as DISCOCLUB PHOENIX right now the propriety is for sale but only the land to a value that does not include the values that normally attach to "business", so only accounted for the real estate values. The sale included a project approved for an Accommodation of twelve rooms with amenities designed. A very interesting deal with the possibility of investing in the historic centre of Lagos.
