

LAND FOR SALE IN LAGOS | Ref: T/05171

**1,100,000 €**

### Plot for development

Plot of land prime for development, located in Praia da Luz within easy access to the village centre and surrounding amenities. No current permissions or plans submitted at this time, however there could be the potential to develop a small block of flats, group of townhouses or small group of villas, for example. Another alternative would be to build a stand-alone luxury villa on the site.
