SPECTACULAR 4 BEDROOM VILLA

A very nice villa with large terraces and generous outdoor space, in a state of impeccable condition. The living room is set between the main entrance and the service area, giving a large and comfortable open dining room. The furniture layout gives an easy flowing feeling, that does not disturb those who occupy the sofa area. The kitchen has an unusual dimension making easy use of washing machines and kitchen utilities. There is in fact a fully equipped laundry room with access to the outside areas. The veranda is very large and allows for independent use of the summer kitchen, and sitting area, which is perfectly equipped with sofas and sun loungers. On the ground floor there is a bedroom with a large bathroom and an office that we call the "plus one".

The entrance hall gives access to the office, the living room and the staircase that leads onto the two main bedrooms. The rooms on the
