

APARTMENT TO RENT IN LAGOS | Ref: Apt. da Torrinha Winter

900 €

Apt. da Torrinha Winter

Having looked at many winter rentals over the years we think some of the most important factors to consider whether the property has appropriate heating facilities to keep you warm during your stay!

Equally important are the location and the cooking facilities as you may want to eat in a lot more. Add into the equation the location, comfort and interior decor, and last but by not least - TV channels & Internet...

That's why we think that this apartment ticks all the boxes for your winter stay. Also, due to its prime city centre location, you won't need a car which will reduce your costs, & if you do have a car, there is a secure car park just 400 metres away where you can arrange weekly or monthly parking, as well as free parking just 100
