## SUMPTUOUS CONTEMPORARY VILLA at PORTO de

It is an excellent, sumptuous, contemporary 5+1 bed villa at 'Porto de Mós' with sea views and much to offer. Most houses at 'Porto de Mós' are contemporary and built in the past 10 years, which means this is a relatively new urbanization, quiet and only at a short distance to the beach.

Impressive entrance with water feature leads you to the ample entrance hall with sitting room and separate TV room. Beautiful suspended wooden stairs take you to the upper and lower floors.

Ahead is the open plan top of the range kitchen and dining and to the left, between the sitting room and the kitchen is the south facing ample, sumptuous and stunning lounge!

The kitchen is very modern and is on open plan to a beautiful dining room
