3 bedroom villa located in Canavial, one of the most privileged areas of Lagos. Built in the 70's, it needs renovation, but has a lot of potential, with the possibility of expansion and the construction of a 1st floor, where the sea can be seen! It has a large and secluded garden. It is a very quiet residential area, close to the beach of Porto de Mós and within walking distance of the city. Viewing is recommended!
