715,000 €

Modern Villa with Great Location and Sea Views

This 4 bedroom property has been lovingly remodelled with an impressive attention to detail. Surely one of the best examples of a comfortable year-round home or super lock up and leave in this sought after area. With literally nothing to do by way of refurbishment it is ready to move into and enjoy from Day 1.

The accommodation is over 2 levels with the main living area consisting of a huge living room and separate kitchen loaded with a full range of Bosch appliances and with a service bar that provides for an open-plan feel ideal for socializing. There is a closed log burner for cosy winter evenings and a double set of patio doors giving access to the large sun terrace overlooking the swimming pool not to mention wonderful panoramic ocean views. There is a guest cloakroom on this floor for convenience.
